

Dear Residents, Fellows, and Medical Students,

The TSA Resident and Medical Student Education Committee is organizing the 2nd Digital Poster Presentation for Residents, Fellows, and Medical Students this year at the TSA 2024 Annual Meeting. We want to hear your great ideas, interesting cases, and latest discoveries in the specialty of anesthesiology, subspecialties, and beyond.

Your session proposals will be reviewed and considered for inclusion in the 2024 Texas Society of Anesthesiologists Annual Meeting, on Saturday, September 7th in San Antonio, TX.

All eligible corresponding and presenting authors should become TSA members and register for the TSA 2024 meeting. Residents and medical students are not charged TSA membership dues.

Don't miss this important opportunity to share knowledge, connect with peers and thought leaders, and make a meaningful impact in the anesthesia community!
